

3M™ Overhead Projector

Model 1780

Added Performance, Affordable Price

The 3M™ Overhead Projector Model 1780 has a winning combination of a lamp changer along with a closed doublet head. The lamp changer will keep your meeting going if the bulb goes out, and the closed doublet head provides the sharpness you need in your projected image. This projector also doubles the life of the ENX Lamp and provides 2,500 lumens of light so that you can keep the room lights on.

KEY FEATURES

- > Closed doublet projection head provides sharper images and protection.
- > 2,500 lumens of light give your visuals punch even when the room lights are up for note-taking.
- > 10" x 10" staging area
- > Specially engineered for a double lamp life of 130 hours average
- > Lamp changer feature lets you flip one switch for instant bulb replacement.
- > Three-year parts and labor warranty for peace of mind. Please see product packaging for details of warranty terms.

ORDER NUMBER: X0-0038-0806-0 (former#: 78-9236-6611-5)

OPTIONAL ACCESSORIES: Replacement lamp, roller attachment, roller-attachment film, carrying handle, and dust cover
